## Planning Your Trip

Whatever the reason for your trip, Advance Transit (AT) offers easy-to-use tools to help you plan ahead.

---

### Transit Mobile App

Transit is a mobile app that provides real-time information for AT buses. Easily find out when your bus will arrive at your stop or get step-by-step directions to your destination.

Download the Transit app to your mobile device ([advancetransit.com/rider-apps](http://advancetransit.com/rider-apps)) to access transit information, including routes, schedules, bus frequency, and transfer points.

### Call or Text for Bus Information

## Making a Transfer

The bus is a great way to get around, but sometimes just one bus won't do. Bus transfers are easy, and AT drivers can help ensure a smooth trip!

---

Let the driver know if you'll be transferring to another bus. They can assist and let you know when you're nearing your transfer.

Most transfers take place at the Kilton Library in West Lebanon, City Hall in Lebanon, and Vail in Hanover. Bus arrivals are timed at these locations to make it easy to transfer between routes.

To find out when your bus will arrive, check Transit or the live service map on AT's website.
