

ACCESS AT

ADA PARATRANSIT ELIGIBILITY APPLICATION AND INSTRUCTIONS

Dear Applicant:

Thank you for inquiring about applying for **Advance Transit's ACCESS AT** paratransit eligibility. Enclosed is a copy of an application for Certification of ADA Paratransit Eligibility, as well as an instruction sheet outlining the certification process and an informational brochure about Public Transit and ADA Paratransit services.

Please read these enclosed materials carefully before completing the application.

ACCESS AT is the paratransit service **Advance Transit (AT)** provides to individuals who are unable to use fixed-route bus service because of a disability. An inability to use fixed-route bus service may include being unable to travel to and from bus stops, board or exit buses, or understand how to ride and use the bus system.

ACCESS AT provides shared-ride, curb-to-curb service to persons determined to be "ADA paratransit eligible" for those trips that cannot be made using the fixed-route service. You may, for example, be able to use bus service for some trips if stops are nearby and there are no barriers that prevent you from getting to and from the bus. At other times, you might not be able to travel to and use the buses. **ACCESS AT** is meant to assist you at these times.

There are four types of eligibility:

Conditional Temporary: You are able to use the fixed-route bus sometimes and need paratransit sometimes. The functional limitation is expected to improve.

Conditional Permanent: You are able to use the fixed-route bus sometimes and need paratransit sometimes. The functional limitation will not improve and may become worse.

Unconditional Temporary: You cannot use the fixed-route bus due to a functional limitation. The functional limitation is expected to improve.

Unconditional Permanent: You cannot use the fixed-route bus due to a functional limitation. The functional limitation will not improve and may become worse.

To enable us to accurately determine your eligibility for this service, **please complete the enclosed application as thoroughly and accurately as possible.** The questions are meant to determine the circumstances under which you can use fixed-route or paratransit services.

If you need assistance completing the form, or have questions, please contact the **ACCESS AT** office. You may call us anytime during normal office hours. Our office is open Monday through Friday from 8:00 AM until 4:30 PM. The phone number is 1-802-295-1824 (voice) or TTY 711. This letter and application is also available in large print, and other alternative forms. This information is also available for download on our website at www.advancetransit.com.

After you have completed the applicant information, please have a licensed health care professional who is familiar with your health condition or disability and your functional abilities and limitations complete the health care professional information. You and your health care professional must sign the application. ***If any sections are left blank the application will be returned to you as incomplete.*** The information you provide in this application is confidential.

Please do not attach medical documentation or information to this application, other than your health care professionals signed statement. You may bring the medical information with you when you have your interview.

Please mail your completed application and the health professional statement to us at:
ACCESS AT
Advance Transit, Inc.
PO Box 1027
Wilder, Vermont 05088

Within a few days of receiving your completed application packet, you will be contacted by telephone to schedule an in-person interview and functional assessment to determine your abilities to use **AT's** fixed-route service.

Completed applications will be processed within 21 days of receipt. You will then be notified in writing of your eligibility status. If additional time is required to complete the evaluation and determination, you will be given temporary eligibility.

If we determine that you are able to use **AT's** fixed-route service, and are therefore ineligible for **ACCESS AT**, we will notify you of the reason(s) for this determination. You may appeal this decision in writing. However, **ACCESS AT** service will not be provided during the appeal process, unless the appeal process cannot be concluded within 30 days.

ACCESS AT
Attachment to Application for Complementary
Paratransit Service

Dear Health Care Professional:

Federal law requires that Advance Transit (AT) provide complementary paratransit service to persons who cannot use the accessible fixed route bus system.

The information you provide in the attached Professional Verification will allow AT to make an appropriate evaluation of the applicant's mobility and determine how we may best meet their needs.

In accordance with the "*Americans with Disabilities Act of 1990*" (ADA) and its regulations, Section 37.123(e), there are two specific circumstances under which a person would be considered ADA eligible for AT's ***ACCESS AT*** service:

1. Any individual with a disability who is unable, as a result of a physical or mental impairment (including a vision impairment), and without the assistance of another individual (except the operator of a wheelchair lift or other boarding assistance device), to board, ride, or disembark from any vehicle on the system which is readily accessible to and usable by individuals with disabilities.
2. Any individual with a disability who has a specific impairment-related condition which prevents such individual from traveling to a boarding location or from a disembarking location on such system.

Please note this does not include persons who find it uncomfortable or difficult to get to and from bus stops.

Resources for this service are limited, and your evaluation of each person must be based solely upon the individual's ability to use regular transit service. All fixed route buses are ADA accessible. Your verification should consider only the presence of a disabling condition, not the applicant's age or economic status. Please exercise care in evaluating applicants for this service. False verification could result in overloading the ***ACCESS AT*** system and adversely impact persons legitimately qualified to use this service.

If you have any questions about the application or the review process, please contact Advance Transit at (802) 295-1824.

Sincerely,

Ashley Manning
Executive Director
